touch-free

innovatively simple
skin care

go touchless

- High-capacity 1,000 mL refills last longer and require fewer changes.
- Fully ADA compliant, Affinity dispensers measure less than 4" deep.
- The large sight window makes it easy for staff to monitor refills.
- Sealed, hygienic refills reduce the risk of contamination associated with bulk soap dispensers.
- Key access for additional security.
- Indicator light lets patrons know the system is ready for use.

batteries included

Uses 4 C batteries that last up to 30,000 uses.

modular design

Designed for trouble-free performance. In the unlikely event the drive mechanism stops working, it can easily be replaced without taking the dispenser off the wall.

Easily replace existing dispensers. The backplate has been designed to match many mounting configurations.

fantastic formulas

- Thick, rich formulas enriched with moisturizers and natural conditioners.
- Choose from four different Green Seal Certified formulas.
- A range of USDA certified biobased formulas.
- Instant hand sanitizer available in either liquid or gel.

Dispenses foam,
liquid or gel.

USDA Certified Biobased Product - Only by choosing biobased products labeled "USDA Certified Biobased Products" can the consumer be assured that the USDA and the Federal government stand behind the accuracy of the claim that the product contains biological ingredients in the amounts stated on the label. Manufacturers and vendors who have obtained the rights to use the Bio-Preferred label on a product have submitted to USDA test evidence of the biobased content of the product or package.

Green Seal - Green Seal develops life cycle-based sustainability standards for products, services and companies and offer third-party certification for those that meet the criteria in the standard. Green Seal has been actively identifying and promoting sustainability in the marketplace, and helping organizations be greener in a real and effective way since 1989. www.greenseal.org
