Product No. 158

PRODUCT DESCRIPTION

Date revised 9/2004

LAWTON'S PETRA CLEAN is a unique, heavy duty porous surface cleaner degreaser. PETRA CLEAN's proprietary formula is designed specifically for use on porous surfaces such as natural stone floors, porcelain, ceramic tile, pavers, quarry tile, grout and other masonry surfaces. It is also an excellent all purpose cleaner degreaser for most other non-porous surfaces. PETRA CLEAN will penetrate deep into the surface pores, unlock soils conventional cleaners leave behind and draw them to the surface for easy removal. PETRA CLEAN is an excellent maintenance cleaner as well as a restorative cleaner.

DIRECTIONS

WARNING: Do not use on marble, polished stone, anodized aluminum, glass or any untested surface.

DIRECTIONS: Dilute LAWTON'S PETRA CLEAN. Test for product effectiveness and for assurance against harm to the surface before cleaning. Apply liberally to the surface. For restoration cleaning allow the solution to work for a minimum of 20 minutes. Do not allow solution to dry. Scrub several times before picking up solution then rinse well. For maintenance auto-scrubbing, scrub and pick-up. If auto-scrubbing, add LAWTON'S STEAM DEFOAMER or DEFOAMER CONCENTRATE to the recovery tank to prevent vac motor damage.

DILUTIONS:

- Light Mopping or Auto-Scrubbing: Dilute 2 ounces per gallon of water.
● Regular Maintenance Cleaning: Dilute 4 ounces per gallon of water.
● Heavy Maintenance Cleaning: Dilute 8 ounces per gallon of water.
● Heavy Soil and Stain Removal: Dilute 16 ounces per gallon of water.
● Restoration, Tile, Grout and Masonry: Dilute 32 to 64 ounces per gallon of water. Maximum restoration dilute 1:1 with water.

CAUTIONS

CAUTION: Do not swallow. If swallowed, get medical help immediately. Do not get in eyes. If eyes are contacted by product, rinse thoroughly with cool water. If cleaning by hand for an extended period, it is recommended to wear rubber gloves to protect skin from irritation. KEEP OUT OF REACH OF CHILDREN.

CUIDADO: Este producto no es para beber. Si se traga, busque asistencia médica inmediatamente. Evite contacto con los ojos. Si hace contacto con sus ojos, enjuáguelos con agua fresca. Si limpia a mano, es recomendado que use guantes de goma para proteger su piel contra la irritación. SIEMPRE MANTENGA ESTE PRODUCTO FUERA DEL ALCANCE DE LOS NIÑOS.

HAZARDOUS INGREDIENTS:

- Potassium Hydroxide CAS No. 1310-58-3
Ethyleneglycolmonobutylether CAS No. 111-76-2
Triethanolamine CAS No. 102-71-6
Monoethanolamine CAS No. 141-43-5

PROTECTIVE EQUIPMENT

It is recommended to wear protective gloves and protective eyewear when using this or any chemical cleaning product. When spray applying, ventilation and breathing protection is recommended.

TECHNICAL DATA

Table with 2 columns: Property and Value. Includes Total active ingredients (30% min), Nonvolatile matter (22% min), Color & appearance (Clear light amber liquid), Odor (Mild solvent odor), Viscosity (Water thin), pH (13.1 ± .5 @ 25°C), Specific Gravity (1.088 @ 25°C), Weight per gallon (9.04 lbs. per gallon), Biodegradable (organic components) (Yes), Phosphorus content (1.4% max), Detergent type (Nonionic & amphoteric), Foam height (Low), V.O.C. (Volatile Organic Content) (8% by wt), Flash point (Nonflammable), Shelf life (stored properly) (2 years).
