

Quick Dose

Dilution on the Go

Convenience and flexibility – dispense what you need, when and where you need it.

Pro-Link's Quick Dose concentrated chemicals offer a full range of products to meet any facility's general, restroom and hard floor care cleaning needs. Green certified by UL Environment, they also offer an environmentally preferable solution over traditional cleaners. Even the bottle is 100% recyclable, helping your facility meet its recycling goals. Quick Dose is the ideal solution to minimize waste, eliminating the guesswork by staff, ensuring just the right amount of chemical is used. Reducing waste is a great way to lower your facility's total cleaning costs.

No More "Blind" Pouring

With Quick Dose

The bottle's unique design makes it impossible to bypass the dilution chamber before pouring into the final container.

Convenient

- Easy to use – just squeeze, pour and add water!
- No installation required
 - Bottle size of 1/2 gallon designed for workers on the go
 - Easy to transport by hand or on carts
 - Increases productivity by eliminating the need to return to a central location for refilling cleaning chemicals
- Saves space – no equipment to install
- At a glance status
 - The transparent bottle makes it easy to see if you have enough product for your shift

Flexible

- Chamber with marked measurements for up to 4 ounces
 - In half ounce increments
- Dilutions – ounces per quart bottle or bucket – on the label
 - Listed by cleaning task
- Ready to use labels included with each case to identify diluted chemicals and to keep your workers safe

Oxygenated Cleaner

A hydrogen peroxide based general purpose cleaner that provides increased productivity and provides superior cleaning as a daily-use and heavy duty cleaner. It is great for lightening grout and excellent for all restroom areas.

Glass & Surface Cleaner

Non-ammoniated multi-surface cleaner. Cleans and shines glass, mirrors, sinks, countertops, stainless steel, and other washable surfaces. Eliminates soils, leaving surfaces streak, smear and residue free. Quick drying no fragrance formula. Low VOCs. Available in ready to use or concentrate to meet any facility's needs.

Dilution	Item #: B14591 ½ Gallon, 4/Case	
	Quart	Bucket
Light Duty	.25 oz	1 oz
Heavy Duty	1 oz	4 oz

Dilution	Item #: B14592 ½ Gallon, 4/Case	
	Quart	Bucket
Light Duty	.8 oz	3.2 oz

Organic Acid Restroom Cleaner

An organic acid fortified, heavy-duty multi-purpose bathroom cleaner. Cleans away soap scum, mold & mildew stains, hard water deposits, rust stains, body oils, fats and dirt. Can be used to clean most surfaces such as windows, walls, floors, washroom fixtures, tubs, showers, toilet bowls and urinals. Especially effective on removing difficult stains from ceramic tile floors and grouting.

Level 7

Great for all light duty cleaning applications - a true all purpose cleaner. Ideal for conditioning floors after stripping, Level 7 is a mild acid detergent designed to neutralize and remove excess alkalinity on resilient tile and other floor surfaces. Highly concentrated for economic use. Leaves no residue.

Blitz Super Duty

Dissolves oil and protein based soils better than conventional butyl-based products. Provides excellent performance on all types of industrial soils. Recommended for use on all food processing equipment and food service areas. Also for use on walls, desk, tables and other hard surfaces. Available in ready to use and concentrate. Non-flammable, non-toxic, and contains no solvents.

Optimum Response

High Speed Finish Restorer. Cleans while preparing the floor for high-speed burnishing. Repairs scratches and scuffs returning an excellent shine to floors. Improves durability – delaying the stripping cycle. Versatile application – can be mopped on or applied with an auto scrubber. Works well with all electric, battery or propane burnishers. Helps maintain a true “wet look” of the floors. Will not cause discoloring.

General Purpose Cleaner

Formulated for daily use, this is a multi-purpose cleaner. It easily emulsifies fats and oils. Great for scrub and recoat applications.
